CIRCULAR. No. 432.

WAR-OFFICE, 12th May, 1820.

HIS Majesty having been pleased to approve of the Regiment of Militia, under Command, being called out for Training and Exercise, in the present Year, as soon as the necessary arrangements can be made for that purpose, I have the honour to communicate the following particulars respecting the Pay, Allowances, and Equipment of the Officers and Men on this occasion, viz.

The Officers, Non-commissioned Officers, Drummers, and Men, are to receive, during the period of Training, the same Rates of Regimental Pay and Allowances as the Militia received while they were last embodied. The Officers will receive an Allowance for the Carriage of their Baggage at the Rate of Nine-pence per Mile, from the place of their Residence, if within

the County, or if not within the County, then from that Border of their own County which is nearest to the Place where they may happen to be when summoned to attend.

The Men will receive the usual Marching Allowance from the places from which they shall proceed to join, provided such places be not more distant from the Place of Assembly than the Parishes for which they are respectively enrolled: and the like Allowances will be made to the Officers and Men on being dismissed.

Instructions will be given to the Paymaster as to the Rates of the said Pay and Allowances, and as to the mode of drawing for, and issuing the same, but no Officer or Man will be entitled to pay for any period of Absence, even though Absent with Leave, unless he shall have joined the Regiment during the period of Assembly.

The Permanent Non-Commissioned Officers and Drummers are, of course, fully Clothed and Equipped for Duty; it is therefore only necessary to provide for the Equipment of the additional Non-commissioned Officers and Drummers, and of the Private Men; and a sufficient quantity of the Articles specified in the Margin* will be sent for this purpose from the Public Stores.

The small Articles of Necessaries, such as Shoe-brushes, &c., are to be provided out of the Regulated Stoppages from the Pay of the Men during the Period of Training, according to the Act of the 42d Geo. III. Cap. 90. Sec. 96.

The Articles so provided out of the Stoppages are to be taken away by the Men on being dismissed; the other Articles of Clothing and Necessaries are to be lodged carefully in the Regimental Stores for use on future occasions.

It is not thought necessary at this Season of the Year to furnish Great Coats for the whole Corps, it being expected that those now in the Regimental Store, or in wear by the Permanent Non-commissioned Officers and Drummers, will be sufficient for the proportion of the Men on Guard.

As may not be in possession of the Pay and Clothing Act for the Disembodied Militia for the Current Year, I enclose a Printed Copy thereof for your Information.

I have, &c.
(Signed) PALMERSTON.

Colonel of the Militia.

GENERAL ORDER.

Horse Guards, 8th July, 1820.

THE Commander in Chief has had occasion to notice the irregular practice adopted, in several instances, by the Officers of the Army, of wearing plain Clothes at their Regimental Quarters; and this irregularity having caused a serious obstruction to discipline upon a particular and recent occasion in a Regiment of Cavalry stationed in the North of England, His Royal Highness deems it essential to enjoin Officers Commanding Districts and Regiments to take special care, that no Officers under their command shall ever appear at their Quarters without their Uniform.

By Command of His Royal Highness
The Commander in Chief.

HENRY TORRENS,
Adjutant-General.

GENERAL ORDER.

Horse Guards, 8th July, 1820.

THE Commander in Chief has had occasion to notice the irregular practice adopted, in several instances, by the Officers of the Army, of wearing plain Clothes at their Regimental Quarters; and this irregularity having caused a serious obstruction to discipline upon a particular and recent occasion in a Regiment of Cavalry stationed in the North of England, His Royal Highness deems it essential to enjoin Officers Commanding Districts and Regiments to take special care, that no Officers under their command shall ever appear at their Quarters without their Uniform.

By Command of His Royal Highness
The Commander in Chief.

HENRY TORRENS,
Adjutant-General.

GENERAL ORDER.

Horse Guards, 20th November, 1820.

THE Commander in Chief is pleased to approve of General Officers commanding Districts in Great Britain granting Leave of Absence to Officers, and Furloughs to Non-Commissioned Officers and Soldiers, under the following limitations and restrictions; viz.

1. The Leaves of Absence, granted under this Order to Officers, may commence as soon as the Half Yearly Inspections shall have been made. The Furloughs granted to Non-Commissioned Officers and Soldiers may commence from the 25th of the present Month.
2. These indulgences are to terminate on the 24th March next, when all Officers and Men are to be present with their respective Regiments.
3. One Field Officer, One Half of the Captains, and One Half of the Subaltern Officers, are always to be present with their Regiments.
4. No Officer (except in the performance of Duty, or for the purpose of joining his Regiment) is to quit the United Kingdom without having first received His Majesty's Special Permission.
5. The Officers employed on the Recruiting Service, or upon the Staff of the Army, are not to be included in the number hereby fixed for the constant Duty of the Regiment or Battalion.
6. The applications for Leave for Regimental Paymasters, and Medical Officers, are to continue to be made in the mode prescribed in Pages 52 and 53 of the General Regulations of the Army.
7. In case of short Leaves of Absence being requested by Adjutants, Riding-Masters, Quarter-Masters, or Veterinary Surgeons of Regiments, it will be necessary that a special Report should be made as to the mode in which their Duties are to be performed during their absence.
8. The proportion of Non-Commissioned Officers, Trumpeters, Drummers and Private Men, to whom Furloughs may be granted, is not to exceed Ten per Troop or Company.

In the event of Regiments, or Battalions, not being stationed in Garrisons, or in Military Districts, the Officers commanding are at liberty to use their discretion in granting the indulgence of Leave of Absence, under the foregoing Restrictions, to the Officers and Men under their command.

This Order does not apply to the Officers and Men doing Duty at the Depôts of Regiments on Foreign Service.

By Command of His Royal Highness
The Commander in Chief.
